To be eligible for a prize, all entrants must register as members of RIDE Solutions either as current users of alternative transportation such as carpooling, biking, walking or public transit, or as someone seeking to form or join a carpool. Information submitted to the program must be complete and accurate, and all registrants give permission to have their contact information shared with potential carpool matches. Each registration counts as one entry, and each employee may enter only once. Current members may not enter, and renewed registrations within 30 days of having cancelled membership are not eligible for contest entry. Chances of winning depend upon total number of entries. Prizes will be awarded by random drawing on December 17th, 2007.
